## Henry Marionnet

*Henry Marionnet and his son, Jean-Sébastien installed on the Domaine de la Charmoise, are undoubtedly the benchmark in Touraine. Their reputation earned their nickname "Kings of Gamay".*

*In 1999, Henry Marionnet discovered a vine planted before 1850, ungrafted and pre-phylloxeric. The oldest plot in France, Romorantin grape varieties.*

*Bertrand Bourdil, is a master of Bordeaux wines, he was the winemaker for **Château Mouton Rothschild**, for 17 vintages. It will obtain 3 times the note 100 out of 100 in the newspaper “Wine Spectator” (years 1982, 1986 and 1998). At the same time, it will set up the “Opus One” project, a partnership between Château Mouton Rothschild and Mondavi (United States).*

*In 2005, Bertrand Bourdil realized his dream, he acquired the small vineyard of Chérubin located on the southwest side of the hill of Saint-Emilion, near the vineyard of **Château Angélu**s.*

*Château Chérubin has the promise of a long life because it draws its strength from the exceptional quality of its terroir and the common desire of a family to keep it alive.*
